

LONG TERM RENTALS FROM GWIN OF SWEDEN

The extra profit that soft serve ice cream brings is clear. But perhaps you aren't ready for the initial capital expense. We've got a sweet solution: we're giving you the chance to rent one of our GWIN of Sweden soft serve ice cream machines. For a low fee, you can experience the benefits of selling a product with a 70% profit margin. And the product does sell - you'll find a lot of people make spontaneous purchases when they see a soft serve machine ready to dispense a tasty treat.

Keep it for three months or the whole season

We'll help you pick the time plan and machine that's right for you. Your soft serve ice cream machine will be delivered to your door, and when you're done with it we'll come pick it up. And if anything should go wrong with your machine, we'll take care of it. If a few months of selling soft serve ice cream leaves you convinced of its long term value, you're welcome to buy the machine at the end of your rental period.
